City to Seek Slash of S. F. Water Rates

Location of Pipeline Cited in Support Of Argument

Efforts to secure a reduction in rates paid for Hetch Hetchy water purchased by Redwood City were determined upon by the city council Monday in referring the matter to City Manager E. A. Rolison to contact San Francisco officials.

In connection with the appeal City Attorney Albert Mansfield pointed out that Redwood City is the only city on the whole Hetch Hetchy system which has an agreement with San Francisco forcing that city to give favorable rates to Redwood City.

Councilman Paul A. McCarthy said that Redwood City's appeal has merit because it is directly situated on the Hetch Hetchy pipeline, and the investments in the Spring Valley lakes and pumping and distribution facilities to take the water to San Francisco should not be considered a charge against local water users.

If San Francisco refuses to consider favorable rates, it is provided that the railroad commission can arbitrate the matter.

New Franchise Asked
The question of rates came up during a discussion on a permit asked by San Francisco to lay an additional pipeline on its existing right-of-way. Permit must be secured from the council for crossing new streets opened since the original franchise was granted in 1922.

The council has no desire to delay the pipeline construction but is taking the opportunity to exert its rights to secure reduced rates. San Francisco rates were reduced 10 per cent today to save \$80,000 annually to metropolitan users.

Rolison will point out to San Francisco that Redwood City should be considered as a wholesaler of water and should therefore secure it cheaply enough so that local users will pay no more than those in San Francisco.

Other Matters Acted Upon
Authorization of a warrant for \$500 for purchase of a 4.3 acre tract on Roosevelt avenue between Hudson and Lincoln streets for park purposes was voted by the council. The deal is subject to a deed of trust for \$2,000 which the city will pay off in time.

The board voted \$100 to the California Municipal Utilities Association for services in protecting utilities against adverse legislation.

An ordinance charging a \$25 fee for gas appliance dealers was adopted.

Victor L. Doppee was denied his appeal for a \$25 rebate on his plumbing license.

R. N. Buben, 47 Avondale, was granted permission to enlarge servant quarters on his premises into a dwelling.

Ward's Featuring Cooking School All Next Week

Next week from Wednesday to Saturday, Montgomery Ward and Company will conduct a cooking school in the household department of their store on Broadway.

W. H. Porter will conduct the school. Mr. Porter is a national authority on this subject. He specializes in the use of the pressure cooker, and demonstrates the preparation of complete meals by this very exceptional cooking appliance. He is closely in touch with many national food products, and will give some interesting demonstrations of their uses.

Mr. Porter will also demonstrate the new Ward Gas Ranges, equipped with the double quick oven. You will see biscuits placed in a cold oven, and brought forth in twelve minutes a beautiful golden brown. Mr. Porter has an unusual number of useful hints for the housewife in connection with preparing foods.

There will be an opportunity for those present to sample the foods prepared in order that they may judge the flavors for themselves.

Peninsula Problem Discussion Planned

BURLINGAME, Nov. 7.—The peninsula rapid transit problem and prospects for future development will be discussed here Friday when County Planning Advisor Hugh R. Pomeroy and Planning Technician-Engineer Ronald Campbell address the luncheon meeting of the chamber of commerce.

INCUMBENT SUPERVISORS LOSERS BY BIG MARGIN; MERRIAM COUNTY CHOICE

Electing to be governed by two new supervisors and selecting Gilbert Ferrell for the district attorney post, San Mateo county voters Tuesday decisively defeated Dr. C. V. Thompson, Burlingame, and Mrs. Rosalie M. Brown, San Mateo, veteran board members, and chose in their stead Walter M. High of Burlingame and Fred E. Beer of San Mateo.

Ferrell, who has practiced law in San Mateo county for the past 26 years and whose home and law offices are in Redwood City, will succeed District Attorney Edmund Scott as county counselor for the next four years.

Ferrell won over Edward Hoffmann, San Mateo attorney and likewise a Stanford graduate. Hoffmann has been a resident of the county for the past seven years. Scott, who succeeded District Attorney Franklin Swart upon the latter's elevation to the bench, did not choose to seek re-election.

Results of these three important county contests as given in unofficial figures were:
Ferrell, 16,109.
Hoffmann, 11,145.
Beer, 19,488.
Brown, 7,698.
High, 17,181.
Thompson, 9,572.

Beer, retired San Mateo automobile dealer, who polled a high vote in the primary against Mrs. Brown, for 12 years a member of the board, ran ahead of the incumbent in all but four of the 203 precincts. The vote in San Mateo, home city of the pair, gave Beer 3,299 to 1,810 for Mrs. Brown.

Burlingame gave Beer 4,446 to 1,316 for Mrs. Brown.

Redwood City was a strong supporter of Beer, giving him the margin of 2,620 to 583.

High Tally Heavy
High ran ahead of Dr. Thompson in Burlingame, San Mateo and Redwood City, scoring 3,539 votes in San Mateo to 1,356 for Thompson; 3,638 in Burlingame to 2,323 for the incumbent, and 2,193 votes in Redwood City as against 935. Ferrell captured Daly City, conceded a Hoffmann stronghold prior to the voting, by 400 votes; took a commanding lead in Burlingame of 3,985 to 1,857, and captured Redwood City with a vote of 2,089 to 1,164.

County Favors Merriam
Turning to state politics, San Mateo county was found in the Frank Merriam-George Hatfield column with safe margins for both over Upton Sinclair and Sheridan Downey. The vote for governor unofficially stood:
Merriam, 17,991.
Sinclair, 12,729.
Haigh, 2,742.

For lieutenant-governor, the returns were:
Hatfield, 19,441.
Downey, 13,919.

Sinclair captured most of the upper peninsula communities, leading in Bayshore, Brisbane, Colma, and other communities.

Office Building Bonds Defeated By Peninsula

Proposal Wins Favor But Falls Short Of Two-Thirds

With San Mateo and Hillsborough as principal objectors, the \$112,000 San Mateo County Office Building Bond Issue was defeated at the polls Tuesday, but made a surprising showing for the little attention it had received outside of Redwood City.

The unofficial figures for the bond issue for the 203 county precincts showed:
Yes, 15,333; no, 12,050.
The bonds fell short by about 3000 votes of the necessary two-thirds majority.

Redwood City voted 2509 in favor to 975 against the office building bonds, a vote of approximately 2 1/2 to 1.

Burlingame was among the larger cities which favored the bond issue, voting 3237 in favor to 2897 against the office building. San Mateo rejected the bonds by a vote of 2295 yes to 2738 no.

Other city votes on the proposal were:
Menlo Park: Yes, 472; no, 368.
San Carlos: Yes, 388; no, 264.
Belmont: Yes, 189; no, 239.
Atherton: Yes, 296; no, 252.

The office building, if approved, would have saved the county \$3500 yearly in rentals. The county surrendered rights to a \$41,000 federal donation in refusing to approve the project.

Calcagno Bros. Buy Popular Mkt. Meat Department

Purchase of the Popular Market Meat Department by Calcagno Brothers was announced today. S. J. Calcagno, who with his brother, has been in business in San Jose for the past 22 years, will be in charge of the market here.

M. J. Fitzsimmons and Joseph Quigley, who have been in the market for the past year and a half will remain in their positions. Gus Harbus, owner of the fruit and vegetable department, and S. S. Siddell, delicatessen department proprietor, will remain also.

Quality meats, poultry and fish will be featured in the market by the new owners, who are descendants of a family of merchants which first started business in Italy in 1772.

Woman Shot In Estate Fight

Stanford Man's Wife Critically Injured In S. F. Row

A Palo Alto woman lay critically wounded in the Stanford Hospital, San Francisco, Tuesday and her mother, one-time noted San Francisco actress, was held by police as the result of what was apparently a family quarrel over a \$40,000 estate.

The injured woman is Mrs. B. F. Warren, 25, Stanford graduate, who is suffering from wounds in the chin, neck and right arm.

Her mother is Mrs. Gordon Chamberlain, 45, the former Edna McClure, who attained notoriety in 1906 and 1907 by four suicide attempts. She is the widow of a former San Francisco contractor.

Happens in San Francisco
The shooting occurred at Mrs. Chamberlain's home at 168 Hermann street, and climaxed family trouble that began, according to Gordon L. Chamberlain, 13-year-old son of the family, during a family trip to Mexico last summer.

According to the boy, Mrs. Warren, who resides at 410 Churchill street in Palo Alto, and who is the wife of a Stanford graduate school of business student, visited her mother yesterday. During the visit a quarrel started over the \$40,000 estate of her great uncle, Peter L. McClure, of which Mrs. Warren is guardian.

The boy told police he heard his sister say: "I'm going to the garage," and his mother replied: "No, you are not going to the garage." Mrs. Warren then came down and went to the garage to get an automobile seat and put it in her car.

Quarreled in Home
As she re-entered the house, the boy said, she encountered his mother with a gun in her hand. In an alcove off the kitchen Mrs. Chamberlain is said to have fired the first shot at her daughter.

As the daughter ran toward the garage a second time, the woman fired twice more.

Safeway Stores Feature Apples In Coming Week

The apple of the family eye this year has taken an several new shapes and uses, according to Julia Lee Wright, director of the Homemakers' Bureau at Safeway Stores, who has just completed an article entitled "Psyching the Apple" for a national magazine.

Transparent applesauce, says Mrs. Wright, is one of the new delights. It's made quite simple, she says, by placing peeled and sliced apples (any good cooking variety) in a saucepan and adding just enough water so you can see it down through the slices, and then putting sugar on top. Don't stir, but cover and let cook slowly. The sugar seems to penetrate through the apples, leaving them tasty, clear and appetizing.

Baked applesauce is another new dish which has become quite the rage. It can be made by arranging fairly thick slices of cooking apples, either peeled or unpeeled, in a shallow baking pan. Then pour in just enough water to keep the apples from burning, sprinkle with brown or white sugar and spice. Bake this mixture in moderate oven, and say the epicures, the fondest hopes of apple perfection have come to pass.

Mrs. Wright has also prepared a score of other new and interesting recipes, which will be available locally at Safeway Stores during the company's huge producer apple campaign.

Radio Menu Flash To Feature Talk With School Head

You mothers with three or four ever-hungry young mouths to feed think you have kitchen troubles, do you?

Well, feel for Lowry S. Howard, president of a famous California school for boys. Mr. Howard has to satisfy the hunger pangs of nearly 300 husky lads. He'll tell Joan Andrews, KPO Menu Flash editor, how he solves his problems when she interviews him next Friday at 10:00.

Sequoia Enrollment Passes 1300 Mark

Enrollment at Sequoia high school in Redwood City has now surpassed the 1,300 mark, the total being 1,304, it was revealed today. The average attendance is 1,079, it was reported.

County Control Of All Cities Is Advocated

City-County Set-Up Is Urged to Halt Annexation

Taking of a census of San Mateo county in order to prepare the steps for a proposed city-county form of government for the peninsula was proposed Monday before the board of supervisors by Ella Chase, Lomita Park civic leader.

The census is necessary in order to prepare a bill for introduction in the next legislature providing that a county of San Mateo county's size may form a city-county government.

The present estimated population of the county is 100,000, whereas the law limits such governments to counties with over 200,000 population.

Mrs. Chase proposed using SERA labor in making the check. She declared the step necessary to discuss two weeks' postponement of charter annexation to San Francisco consideration was determined upon by the board.

Shelter Report Asked
Request for a report on the condition at the San Mateo shelter if the data is available will be asked of Robert Koshland, director of emergency relief, following the putting of a motion of Supervisor Rosalie Brown.

The North Fair Oaks Improvement Club commended the board for its removal of Dr. Harold Morrison as health director, and appointment of Dr. Harper Peddicord to act temporarily.

Miss Lois Curran, Mrs. C. B. Stoner and Mrs. Hazel Biegel were appointed to canvass the 500 or more absent ballots.

The board directed that provision be made so that persons on relief projects shall be given the opportunity to vote in their precincts tomorrow. Special transportation is to be provided, if necessary.

Gas Tax Report Filed

The board approved a report by County Auditor Edward Stack showing gasoline tax receipts at \$290,414.03, expenditures at \$244,372.08, and a balance of \$46,041.95.

Notice of the hearing on the establishment of pierhead lines for San Francisco bay was sent to the board by the war department. The hearing will be held November 23 at 10 o'clock in the Customs' House.

Extension of Willow road in Palo Alto will be discussed November 9 at Wilson's, Palo Alto, and Supervisor John Poole was instructed to attend.

Engineer James S. James was directed to look into the request of the Oak Knoll Improvement Club that certain streets be repaired for safe passage of school stages.

Building Permits Here Are Twice Those Year Ago

Building permits for October in Redwood City totaled \$9085, nearly twice as much as was spent here for construction during October a year ago, reports compiled by Building Inspector I. C. Drathman revealed today. The October total was also larger than that of September, when permits totaling \$8382 were issued.

Recent permits include the following:
W. Dusel, 450 Arch street, addition to garage, \$100.
Dr. C. O. Morse, 2734 Broadway, alterations to store, \$360.
Mrs. M. L. Cossitt, 964 Durston road, addition to garage, \$500.
Mrs. E. Letts, 299 Brewster, re-shingling roof dwelling, \$145.

R. C. Boy, 2, Rides Into Path of Auto

Riding his kiddie car into the path of an automobile, little James Bratton, 2-year-old son of Mr. and Mrs. Theodore Bratton, of 810 Stambaugh street, Redwood City, was seriously injured Saturday evening.

At the Community Hospital in San Mateo, where the youngster was taken after first aid treatment at Mason Emergency Hospital, it was reported today the boy's condition was "fair." He is suffering from a fractured right femur, lacerations on his cheek and eyelid, and multiple contusions and abrasions.

Mrs. Joe Wright, Box 84C, Selby lane, Atherton, was driving the car which struck the Bratton boy, according to local officers who investigated the accident.

3 DIE, 8 HURT ON PENINSULA IN ACCIDENTS

John B. Pagano Victim In Redwood City; Menlan Dies

Three men met instant death and five others were injured in weekend traffic accidents in San Mateo county, records at the county traffic bureau revealed today.

Train Hits Truck
John B. Pagano, 73, a resident of Redwood City for many years, was killed Saturday evening at 6:30 o'clock when he stepped into the path of a car driven by Ben G. Holland, Stanford student who lives in Encina Hall on the Stanford campus. The accident occurred at the intersection of Roosevelt avenue and El Camino Real in Redwood City.

Pagano, who lived at 517 Buckeye street, was the father of Mrs. Edward J. Bullivant of Redwood City and Mrs. John Pastorelli of San Mateo.

Funeral services were held this morning at 9 a. m. from the Laying & Tinney funeral home with a requiem mass celebrated at 9:30 a. m. at Mt. Carmel Church. Interment followed at Holy Cross Cemetery, Menlo Park. Memorial services were held last night by the Foresters, to which Pagano, a charter member, had belonged for 35 years.

Holland is being held by local police on a technical charge of manslaughter.

Apparently failing to see the oncoming train, Secondo Barbero, 44, Menlo Park truck driver, was killed instantly yesterday morning when his truck was demolished by a southbound Santa Cruz train on the Encinal avenue crossing of the Southern Pacific line. Barbero was driving eastward when the accident happened.

It was the second time that Barbero had been hit by a train at the same crossing, which is located only about 80 feet from his home. Two years ago Barbero jumped clear of his truck and was not hurt.

Millbrae Man Struck

Guglielmo Caprin, cook at the Madeline Hotel in Millbrae, met instant death about 7:15 Saturday evening when he was struck by a car driven by Alfred C. Dignan of San Bruno. Caprin was apparently crossing the highway when hit. He was knocked 60 feet by the impact, his body being badly mangled. Burlingame police and State Patrolmen Frank Chevalier and James Dalziel, who investigated, attached no blame to Dignan, who is known here. He is a well-known newspaperman.

Those injured were:
Joe Borello, 62 Tioga avenue, San Francisco, whose car collided with an automobile driven by R. R. Upton of South San Francisco near the Pacific Bonecal company plant on the Bayshore road near San Francisco.

Rams Car Ahead
Sheldon B. Kaufman, 731 Howard street, and Harry B. Davis, Rex Hotel, Third street, both of San Francisco, who were slightly hurt when the car in which they were riding, driven by Kaufman, struck the rear of the automobile driven by James J. Tranchin, 601 Persia street, San Francisco, on the Bayshore highway near San Francisco.

William Anderson, 2161 Golden Gate avenue, San Francisco, who was hurt when his motorcycle collided with a car driven by James Lawson, 166 Geary street, San Francisco, on the Bayshore highway at the Broadway intersection way at the Broadway intersection.

Council Looks Into Proposed County Merger

Consolidated Services To Be Given Study Of Local Board

Determining to look into the feasibility of a city-county form of government, as proposed before the board of supervisors yesterday, the Redwood City council Monday night appointed Councilman Paul A. McCarthy to confer with county officials on the proposal.

The idea was advanced by Ella Chase of Lomita Park, who said the step will prove necessary to offset annexation to San Francisco.

McCarthy said that local prejudices will probably make it difficult to realize a city-county government, but he declared that in southern California many cities were consolidating services, such as health departments, as a beginning toward municipal mergers.

Councilman James E. Va suggested that Redwood City look into the proposal and talk the matter over with the board of supervisors.

The board, after receiving Mrs. Chase's proposal, put consideration off for two weeks yesterday. McCarthy was instructed to appear before the board when the proposal is discussed in order to determine the merits of the plan.

Mrs. Chase proposed using SERA workers to take a census so that an enabling act directly affecting San Mateo county may be introduced into the next legislature making the consolidated government possible, if desired by the peninsula cities.

Coffee 'Klatsch' To Be Attraction At Hardware Firm

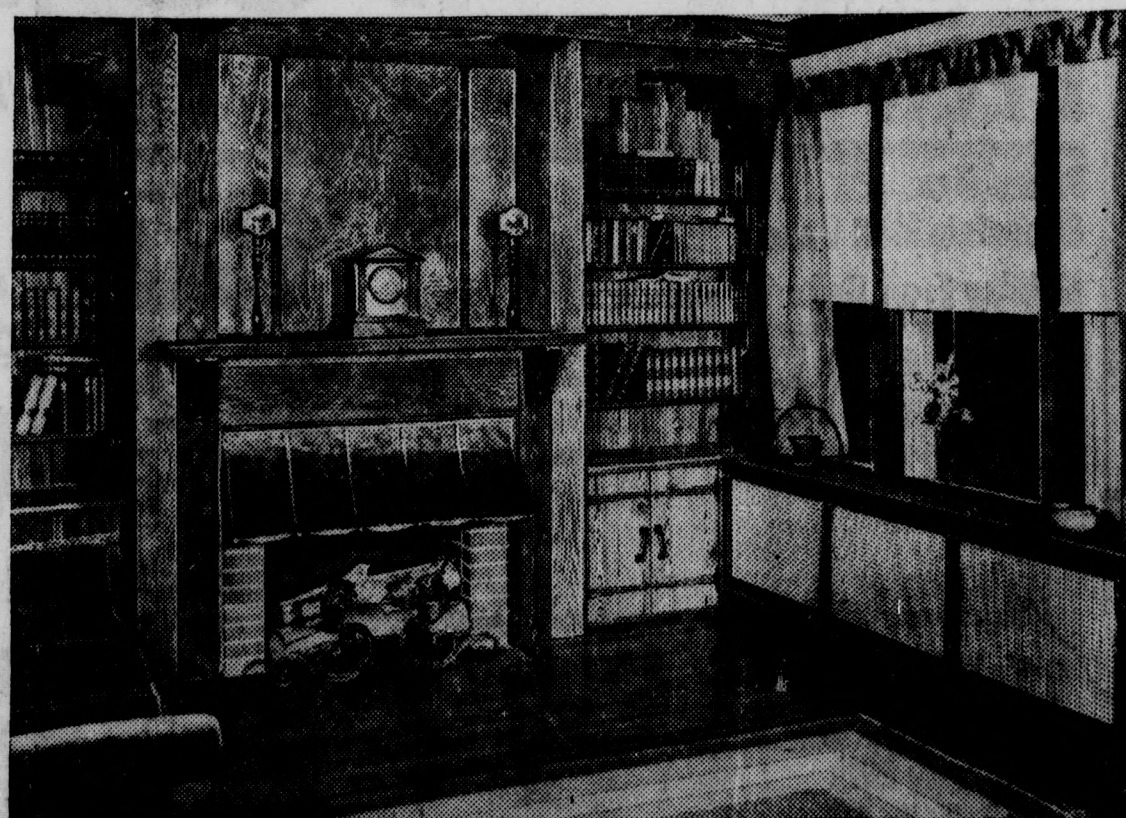

Those who are keen about good coffee—those whose husbands are "coffee cranks"—those who are noted for their hospitality in Redwood City and never overlook an opportunity to add fun and sparkle to their dinner parties will make up the enthusiastic audience at the Redwood City Hardware Company on Saturday when Miss Martha Stenzel of the Thermex coffee-maker factory arrives to demonstrate this smart new household appliance.

"What goes up must come down" is the theme of Miss Stenzel's demonstration. Children and grown-ups will both watch fascinated while Thermex illustrates this old, old principle in a new and intriguing manner. The heated water rises to mix with the coffee in the Thermex all-glass container; it falls again through a filter, leaving the grounds behind.

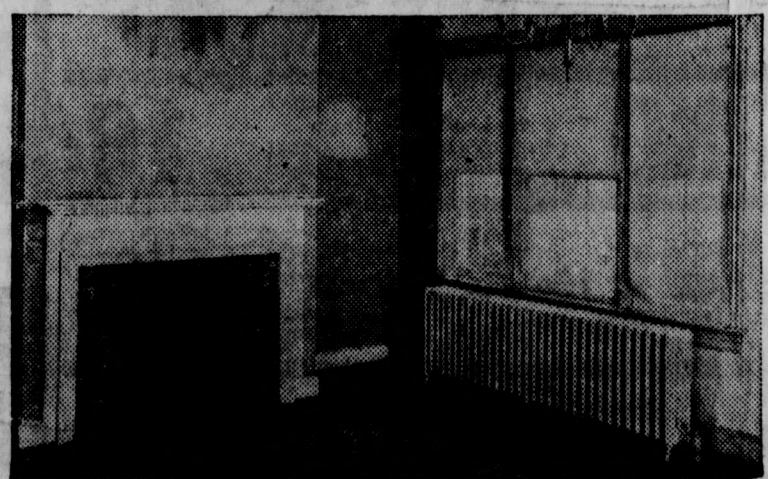

The filtering and the quick brewing make a drink of extraordinary fine, full-bodied flavor. "And," as Miss Stenzel says, "you can 'slosh' the whole thing under the hot water faucet at dish-washing time."

Everyone is invited to visit the Thermex demonstration on Saturday and to have a taste of this flavor-thrilling coffee. It will be served all day from what Miss Stenzel calls "America's finest coffee maker."

Merriam Will Prove Worthy

The vote on Tuesday clearly demonstrated that the people of California are not ready for Socialism or Communism. They are not radical. They are sane and sound and have dealt a blow to the preposterous propositions that were advanced by Upton Sinclair, the Socialist.

The voters of California may be congratulated upon their patriotism in supporting Governor Merriam, a safe and sound official, who during his four years will guide the ship of state in a manner satisfactory to the people of this commonwealth.

S. M. Secures Funds
For Highway Work

SAN MATEO, Nov. 6.—City Manager E. P. Wiley last night revealed at the city council meeting here that he had received a letter from Col. John Skeggs of the state highway commission saying that \$35,000 in federal money had been allotted to widening and improving El Camino Real from Second avenue to Crystal Springs road. As a result, bids already submitted for the work were ordered returned, and new ones will be called.

The \$16,000 contributed by the city of San Mateo will be used to secure additional rights of way, it was decided.

**Danz Youth Victim
Of Blood Disease**

Kenneth Danz, 16, Sequoia high school student and guard on the Sequoia football team, died at Community Hospital, Beresford, Sunday as the result of a rare blood disease.

Several weeks ago he became ill and was sent to the hospital, where he was apparently improving rapidly. But early last week he suffered a relapse. Hospital physicians said that his illness was not caused by any football injury.

Young Danz was a brother of Fred Danz, former Sequoia and Santa Clara football star. His death was the fourth in the Danz family in the last nine years, his father, mother and sister having

**\$181,971 Cost
Of Mausoleum**

Construction of a mausoleum and chapel at Woodlawn Memorial Park at Lawndale at a cost of \$181,971 was assured today with the filing at the county recorder's office of a contract for the work. The H. H. Larsen Company of San Francisco was the successful bidder for the job, which is being undertaken by the Masonic Cemetery Association of San Francisco.

Bond in the amount of \$173,539 was provided by the contractors, succumbed previously. Surviving are two sisters, Mrs. J. M. Peterson and Miss Juanita Danz, and two brothers, Fred and Charles.

Highway Resurfacing Contract Is Awarded

BURLINGAME, Nov. 8.—A low bid of \$14,887 for resurfacing one-third mile of El Camino Real in Burlingame was accepted from the Union Paving Company by the city council meeting here last night. The work is to be started within 10 days.

The council also considered a communication from the Southern Pacific suggesting the possibility of the Broadway and Oak Grove crossing being considered as a federal grade separation project for winter work relief.

R.C. Man Loses Life in River

**George Albert Lamb
Drowns at Albion
While Fishing**

Search was being continued today in the bay at the mouth of the Navarro river, Mendocino county, near Albion, for the body of George

Albert Lamb, former resident of Redwood City, who was drowned Monday evening while salmon-fishing there.

Lamb, who was chief clerk of the Association of American Railways in Mill Valley, left here two years ago. He is a son of Mr. and Mrs. H. G. Lamb of 36 Arch street.

He is survived by his wife, Mrs. May Lamb, two daughters, Louise and Evelyn; one son, George Jr.; two brothers, Fred and Arthur, both of Redwood City, and three sisters, Mrs. Hazel Bender, Mrs. Mildred Balwin and Mrs. Viola Graham, all of Los Angeles, besides his father and mother, Mr. and Mrs. H. G. Lamb.

Red Cross Sends Call for Papers

Issuing a call to Redwood City householders to save their old newspapers for use of the Red Cross, Mrs. George North today asked that persons leave the bundles at the Central Fire House or telephone phone, Redwood 875-J.

The calls to the firehouse should be placed over the business telephone, Redwood 875-J.

The Red Cross picks up the papers at the firehouse every Saturday. The funds are used in Red Cross activities.

Hoffmann Expresses Thanks to Voters

Edward Hoffmann, candidate for district attorney in the Tuesday campaign, today expressed his appreciation to the voters of San Mateo county for the strong support accorded his candidacy. He polled over 11,000 votes.

Hoffmann expressed his congratulations to Gilbert Ferrell, successful candidate for the post, in a telegram sent yesterday.

Students at the United States Naval Academy have the rank of midshipmen.

Ferrell Is Elated Over Vote Outcome

Gilbert D. Ferrell, successful candidate for district attorney at the Tuesday election today thanked the voters of San Mateo county who elected him to the office. His statement follows:

"It is with a feeling of sincere appreciation that I thank the voters of San Mateo county who have elected me to the position of district attorney of San Mateo county. It is also a pleasure to thank the many friends and supporters who worked in support of my candidacy

during the campaign. As district attorney I will deem it my duty to keep the interest of the people of the county at heart at all times and I will execute the duties of the office to the best of my ability."

Bargain Rate Electricity

1/2 OFF

ON ALL EXTRA ELECTRICITY used in the home and for commercial lighting thruout the P. G. & E. System

For a 12 months period beginning after the December, 1934, meter reading, the amount of money by which your bill for any one month at same location exceeds your bill for the corresponding month a year back will be discounted 50%.

Talk about bargains—more for your money. Read this message. You'll see that it is going to pay you for a WHOLE YEAR to take advantage of this Bargain Offer.

Think of the times you have used broom and dust pan. You thought to economize. You let the vacuum cleaner stand idle. But that will hardly pay now. A vacuum cleaner on our regular rate works NINE hours for only FIVE cents. Now, beginning in December, you can have NINE EXTRA hours of vacuum cleaning each month over the corresponding months of last year for 2 1/2 cents. Your vacuum cleaner sweeps so much better—so much easier. Make it do EXTRA work at half cost.

Then, too, there is hardly a home but what needs better lighting. EXTRA light, by putting new bulbs into empty sockets, by using more

lamps, will mean easier reading, more comfort, more cheerful rooms and protection to the eyes.

Plan electric meals that will put idle appliances to work, such as waffle iron, coffee urn, toaster, grill, etc. Make these appliances give you EXTRA service with Extra Electricity at half price. You see it is not a matter of more appliances; just use your appliances more.

To families who are modernizing their homes this 1/2 Off EXTRA Electricity is an exceptionally attractive bargain offer. You may install an electric range and water heater to qualify for the rate with a low block of one cent per kilowatt hour. With 1/2 Off Electricity you can operate the range and water heater for as low as 1/2 cent per kilowatt hour.

Or you may install an electric refrigerator that would normally cost \$1.50 a month to operate. With EXTRA Electricity you cut that normal operating cost in half or to

seventy-five cents a month. 1/2 Off on EXTRA Electricity is certainly cheap Electricity.

Plan Now for Better Living through a whole year with 1/2 Off on EXTRA Electricity

Officers Searching For 2 Hit-Runners

SAN MATEO, Nov. 7.—Condition of two hit-run accident victims remained serious today as police continued a search for the drivers who struck down Joseph Cervantes of Colma and Mrs. Frances Fricke of Daly City, last week-end.

A baby has from two to three times as much skin surface, in proportion to weight, as an adult.

R. C. CHRISTMAS PARTY DATE SET FOR DECEMBER 1

Redwood City's annual Christmas party for the children of the community will be held on Saturday night, December 1, at 7 o'clock, according to an announcement made by the retail division of the chamber of commerce following a mass meeting

of local merchants Monday. Two thousand bags of candy will be brought by Santa Claus to thrill the hearts of the youngsters of Redwood City and vicinity of 10 years of age or under. Streets will be gayly decorated in holiday attire and stores will hold open house showing the 1934 Christmas merchandise. Kendall B. Towne and "Al" Becket are in charge of the event which is expected to be the most elaborate in the history of the community.

"I watch my digestion," says Mrs. P. Brown, "and find Crisco-cooking agrees."

CRISCO is the creamy digestible fat

Mrs. Paul Brown has a reputation for lovely cakes and crispy crullers. And she loves desserts herself. But she has had to be very careful of her diet. She says: "I myself am a victim of indigestion if I don't watch what I eat. Once, if I ate rich refreshments at night, I couldn't sleep. But I have found that anything in which I have used Crisco agrees with me. Now I eat whatever I like. I feel that CRISCO is digestible. For instance, my husband—who is a lover of sweets—can eat 2 pieces of Crisco cake or pie and have no ill effects."

RAISIN NUT PIE

1 1/4 cups seedless raisins 1/2 teaspoon salt
1 1/2 cups boiling water Juice of 2 lemons
1/2 cup sugar Juice of 1 orange
3 tablespoons cornstarch 1/2 cup chopped walnuts
Digestible Crisco Pastry (see Master Recipe below)
Cook the raisins in the boiling water 5 minutes. Mix sugar, cornstarch and salt together. Add to the raisin and water mixture. Cook until thick; then remove from fire and add lemon and orange juice. When cool, stir in the nuts. Line pie plate with Digestible Crisco Pastry (see double-crust proportions in Master Recipe below). Brush bottom with melted Crisco to prevent soaking. Put in filling, dot with bits of fluffy digestible Crisco, cover with strips of pastry arranged lattice fashion. Bake in a hot oven (450° F.) about 10 minutes, then reduce heat to moderate (350° F.) and finish baking—about 20 minutes longer.

SWEET POTATO PIE

2 cups mashed sweet potatoes 1/2 teaspoon nutmeg
1/2 teaspoon salt 1 tablespoon melted Crisco
1/2 cup sugar 2 cups milk, scalded
2 eggs
Blend mashed sweet potatoes with salt, sugar, nutmeg, and Crisco (the sweet, digestible shortening). Add hot milk and fold in eggs, well beaten. Transfer to a deep pan lined with digestible Crisco pastry (see Master Recipe below). Bake in a hot oven (425° F.) for the first 10 minutes to set the under crust. Then reduce the heat to moderate (350° F.) and continue cooking until the filling is delicately brown on top and firm in the center—about 30 minutes longer.
All Measurements Level. Recipes tested and approved by Good Housekeeping Institute. Crisco is the registered trademark of a shortening manufactured by the Procter & Gamble Co.

DIGESTIBLE CRISCO PASTRY (Master Recipe)

(Use this recipe to make all your favorite pies digestible)
DOUBLE-CRUST: 2 cups flour, 1 teaspoon salt, 3/4 cup Crisco, 5 to 8 tablespoons water.
SINGLE-CRUST: 1 1/4 cups flour, 1/4 teaspoon salt, 3/4 cup Crisco, 4 to 6 tablespoons water.
Crumby Crisco Crust—Sift flour and salt. Do not chill Crisco, the creamy, digestible shortening. Cut in Crisco finely. Add just enough cold water to hold mixture together.
Flaky Crisco Crust—Sift flour and salt. Chill Crisco, the sweet, digestible shortening. Cut in Crisco coarsely. Add ice-cold water, just enough to hold mixture together.
From here on, the method is the same—Roll pastry 1/4 inch thick on lightly floured board. For baked shell, cover inverted pie-plate. Prick bottom and sides. Bake in hot oven (450° F.) 15 minutes. For two-crust pie, bake 10 minutes in hot oven (450° F.) then reduce to moderate (350° F.). Bake until filling is done.

MRS. BROWN'S STORY IN PICTURES

You were having a little digestive trouble a while ago, Mrs. Brown?

Yes, if I was careless about what I ate at night I couldn't get a good night's sleep.

But I noticed that CRISCO pie or cake always agreed with me.

I can understand why—you know CRISCO digests quickly—doesn't overtax the stomach.

Yes, Crisco is digestible. Mr. Brown can eat 2 pieces of Crisco pie with no ill effects.

I always fry with CRISCO—it makes crullers and potatoes so crispy and digestible.

At The Tribune Cooking School, conducted recently in the McKinley School Auditorium, Miss Hester Heath used and recommended CRISCO, the modern, quick-digesting shortening.

Gold Solicitations Warning Is Sounded

A warning to the public was sounded today by established buyers of old gold in Redwood City and San Mateo county that itinerant house to house solicitors are victimizing the public by not paying legitimate prices for the metal. Many of the itinerant solicitors are without permit from the federal government and pay far less than the gold is worth, according to the established dealers. The dealers of San Mateo county urge that the public take their old gold to a reputable firm for appraisal and in this manner receive the full value for their belongings.

Hungarian excavations have produced toys of the bronze age; they were evidently made from 1100 to 100 B. C., according to scientists.
